contingent on the availability of funds and contractor performance; and/or provide an increase or decrease in funding up to 10 percent above or below each term's annual base maximum obligation, effective upon amendment execution, or at the beginning of the applicable contract term, and make corresponding service adjustments, as necessary, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office (CEO).

3. Delegate authority to the Director of DPH, or designee, to execute change notices to the contract that authorize modifications to or within budget categories within each budget, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the contract's terms and conditions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of Recommendation 1 will enable DPH to execute a contract with SSG to plan, produce, and promote the 2019 Annual AI-Impics event to be held in September 2019 in a venue in Los Angeles County. Required activities include working closely with DPH to develop a comprehensive communication and event production plan; securing a venue in Los Angeles County; and developing, producing, and maintaining an AI-Impics website and social media accounts to promote awareness of the event and provide linkage to resources. Additionally, the recommend contractor will conduct a post-event meeting to discuss challenges and provide DPH with a report of the event.

The AI-Impics is an Olympics-style sports event where approximately 1,000 sober and recovering individuals compete in athletic activities to demonstrate their consistent efforts to overcome substance use disorder (SUD). Additionally, the AI-Impics provides a forum for DPH to expand SUD awareness in the community and de-stigmatize SUD by promoting treatment resources and providing educational information.

This event is a partnership between DPH and its network of contracted SUD treatment providers, as well as other community-based agencies, during the month of September. September is celebrated as National Recovery Month. National Recovery Month is designed to serve as a community engagement strategy for Mental Health and SUD treatment agencies to adopt on a national level. Since its inception more than 30 years ago, the event has grown to include participation from local hospitals and treatment facilities Countywide and from a few participants to over 1,000 individuals in SUD treatment and recovery.

In 2000 the AI-Impics was cancelled due to lack of sponsorship. In response to the huge outcry from the recovery community, DPH, with support from treatment agencies, took over sponsorship of the event and worked with a contracted agency to plan and produce the annual AI-Impics from 2001 through 2018. This contract will enable DPH to continue to

sponsor the AI-Impics through 2021, ensuring continuity of the event and its support of the recovery community.

Approval of Recommendation 2 will allow DPH to execute amendments to extend the term of the contract to conduct the 2020 and 2021 AI-Impics; and increase or decrease funding up to 10 percent above or below the annual base maximum obligation, effective upon amendment execution, or at the beginning of the applicable contract term, and make corresponding service adjustments, as

necessary.

Approval of Recommendation 2 will also enable DPH to amend the contract to allow for the provision of additional units of funded services that are above the service level identified in the current contract and/or the inclusion of unreimbursed eligible costs, based on the availability of grant funds and grant funder approval. While the County is under no obligation to pay a contractor beyond what is identified in the original executed contract, the County may determine that the Contractor has provided evidence of eligible costs for qualifying contracted services and that it is in the County's best interest to increase the maximum contract obligation as a result of receipt of additional grant funds or a determination that funds should be reallocated. This recommendation has no impact on net County cost.

Approval of Recommendation 3 will allow DPH to execute change notices to the contracts that authorize modifications to or within budget categories within the budget, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the contract's terms and conditions.

Implementation of Strategic Plan Goals

The recommended actions support Strategy II.2 – Support the Wellness of our Communities; Objective II.2.4 Promote Active and Healthy Lifestyles, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The total cost for the recommended contract is \$100,000 effective upon Board approval through October 31, 2019; 100 percent offset by State Realignment funds.

There is no net County cost associated with this action.

Funding for the contract is included in DPH's Final Adopted Budget for fiscal year (FY) 2018-19 and will be included in future FYs, as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

From 2016 to 2018, these services were secured via Purchase Order.

Exhibit I is the contract template approved by County Counsel. Attachment A is the contracting opportunity announcement on the County of Los Angeles website. Attachment B is the Community Based Enterprise (CBE) Information Summary for the recommended contractor.

CONTRACTING PROCESS

On November 16, 2018, DPH released Invitation for Bids (IFB) 2018-015 to solicit bids from qualified organizations to provide event planning, production, and promotion services for the 2019 Annual All-Impics Games.

The contracting opportunity announcement was posted on the County of Los Angeles Online website

(Attachment A) and DPH's Contracts and Grants website, and a Notice of Intent to release the IFB was sent by electronic mail to vendors listed in DPH's internal list of vendors for event planning services and DPH SUD Contractors.

DPH received two (2) bids by the submission deadline. The bids were reviewed and evaluated by a review committee that consisted of representatives from various programs within DPH, in accordance with the Evaluation Methodology of Proposals – Policy 5.054 approved by the Los Angeles County Board of Supervisors (Board) on March 31, 2009 and the IFB solicitation process, to determine the lowest price and most responsive and responsible bid.

One (1) bid was deemed non-responsive to the IFB and disqualified upon determination that it did not meet the minimum mandatory requirements. No Transmittal to Request a Disqualification Review was received by the deadline of December 17, 2018.

On December 27, 2018, notification of the IFB results was sent to SSG, the recommended Bidder, and DPH has obtained a Letter of Intent.

Community Business Enterprise Program information as reported by the recommended Bidder is identified in Attachment B. The Bidder was selected without regard to gender, race, creed, color or national origin for award of a contract.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will allow DPH to continue to celebrate the positive health outcomes of successful recovery from SUD and increase awareness in the community.

Respectfully submitted,

Barbara Ferrer, PhD, MPH, MEd

2. DEFINITIONS:

A. Contract: This agreement executed between County and Contractor. It sets forth the terms and conditions for the issuance and performance of all tasks, deliverables, services and other work including the Statement of Work, Exhibit A and the Scope of Work, Exhibit B.

B. Contractor: The sole proprietor, partnership, corporation or other person or entity that has entered into this Contract with the County.

3. DESCRIPTION OF SERVICES:

A. Contractor shall provide services in the manner described in Exhibit A (Statement of Work) and/or Exhibit B (Scope of Work), attached hereto and incorporated herein by reference.

B. Contractor acknowledges that the quality of service(s) provided under this Contract shall be at least equivalent to that which Contractor provides to all other clients it serves.

C. If the Contractor provides any tasks, deliverables, goods, services, or other work, other than as specified in this Contract, the same shall be deemed to be a gratuitous effort on the part of the Contractor, and the Contractor shall have no claim whatsoever against the County.

4. TERM OF CONTRACT:

The term of this Contract shall be effective upon Board approval through October 31, 2019, unless sooner terminated or extended, in whole or in part, as provided in this Contract.

The County shall have the sole option to extend the Contract term for up to two additional one-year periods, for a maximum total Contract term of three (3) years. Each such extension option shall be exercised at the sole discretion of the Director of DPH or her designee as authorized by the Board of Supervisors, subject to Contractor performance and the availability of funding.

The Contractor shall notify (Substance Abuse Prevention and Control) when this Contract is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, the Contractor shall send written notification to (Substance Abuse Prevention and Control) at the address herein provided in Paragraph 22, NOTICES.

5. MAXIMUM OBLIGATION OF COUNTY:

A. Effective upon Board approval through October 31, 2019, the maximum obligation of County for all services provided hereunder shall not exceed One Hundred Twenty-Five Thousand Dollars, (\$100,000), as set forth in Exhibit C, attached hereto and incorporated herein by reference.

B. The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by person or entity other than the Contractor, whether through assignment, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall not occur except with the County's express prior written approval.

C. The Contractor shall maintain a system of record keeping that will allow the contractor to determine when it has incurred seventy-five percent (75%) of the total contract sum under this Contract. Upon occurrence of this event, the Contractor shall send written notification to the Department at the address herein provided under Paragraph 22, NOTICES.

D. No Payment for Services Provided Following Expiration/

Termination of Contract: The Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by the Contractor after the expiration or other termination of this Contract. Should the Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for Services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Contract.

6. INVOICES AND PAYMENT:

A. The Contractor shall invoice the County only for providing the tasks, deliverables, goods, services, and other work specified in Exhibit A and/or B elsewhere hereunder and in accordance with Exhibit C attached hereto and incorporated herein by reference.

B. The Contractor shall bill County monthly in arrears. All billings shall include a financial invoice and all required reports and/or data. All billings shall clearly reflect all required information as specified on forms provided by County regarding the services for which claims are to be made and any and all payments made to Contractor.

C. Billings shall be submitted to County within thirty (30) calendar days after the close of each calendar month. Within a reasonable period of time following receipt of a complete and correct monthly billing, County shall make

payment in accordance to the Budget(s) attached hereto and incorporated herein by reference.

D. Billings shall be submitted directly to SAPC Finance.

E. For each term, or portion thereof, that this Contract is in effect, Contractor shall provide an annual cost report within thirty (30) calendar days following the close of the contract period. Such cost report shall be prepared in accordance with generally accepted accounting principles and clearly reflect all required information as specified in instructions and forms provided by the County.

If this Contract is terminated prior to the close of the contract period, the cost report shall be for that Contract period which ends on the termination date. The report shall be submitted within thirty (30) calendar days after such termination date.

The primary objective of the annual cost report shall be to provide the County with actual expenditure data for the contract period that shall serve as the basis for determining final amounts due to/from the Contractor.

If the annual cost report is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report is delivered to County and/or, at the Director's sole discretion, a final determination of amounts due to/from Contractor is determined on the basis of the last monthly billing received.

Failure to provide the annual cost report may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

F. Upon expiration or prior termination of this Contract, Contractor shall submit, within thirty (30) calendar days, any outstanding and/or final invoice(s) for processing and payment. Contractor's failure to submit any outstanding and/or final invoice(s) within the specified period shall constitute Contractor's waiver to receive payment for any outstanding and/or final invoice(s).

G. Withholding Payment:

(1) Subject to the reporting and data requirements of this Contract and the exhibit(s) attached hereto, Director may withhold any payment to Contractor if any report or data is not delivered by Contractor to County within the time limits of submission as set forth in this Contract, or if such report or data is incomplete in accordance with requirements set forth in this Contract. This withholding may be invoked for the current month and any succeeding month or months for reports or data not delivered in a complete and correct form.

(2) Subject to the Record Retention and Audits provision of this Contract, Director may withhold any claim for payment by Contractor if Contractor has been given at least thirty (30) calendar days' notice of deficiency(ies) in compliance with the terms of this Contract and has failed

to correct such deficiency(ies). This withholding may be invoked for any month or months for deficiency(ies) not corrected.

(3) Upon acceptance by County of all report(s) and data previously not accepted under this provision and/or upon correction of the deficiency(ies) noted above, Director shall reimburse all withheld payments on the next regular monthly claim for payment by Contractor.

(4) Subject to the provisions of the exhibit(s) of this Contract, if the services are not completed by Contractor within the specified time, Director may withhold all payments to Contractor under this Contract until proof of such service(s) is/are delivered to County.

(5) In addition to Sub-paragraphs (1) through (4) immediately above, Director may withhold payments due to Contractor for amounts due to County as determined by any cost report settlement, audit report, audit report settlement, or financial evaluation report, resulting from this or any current year's Contract(s) or any prior year's Contract(s) between the County and Contractor. The withheld payments will be used to pay all amounts due to the County. Any remaining withheld payment will be paid to the Contractor accordingly.

(6) Director may withhold any payment to Contractor if Contractor, in the judgment of the County is in material breach of this Contract or has failed to fulfill its obligations under this Contract until Contractor has cured said breaches and/or failures. Director will provide

written notice of its intention to withhold payment specifying said breaches and/or failure to Contractor.

Fiscal Viability: Contractor must be able to carry the costs of its program without reimbursement under this Contract for at least sixty (60) days at any point during the term of this contract.

7. FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS:

A. Upon Director's specific written approval, as authorized by the County's Board of Supervisors, County may: 1) increase or decrease funding up to ten percent (10%) above or below each term's annual base maximum obligation; and 2) make modifications to or within budget categories within each budget, as reflected in Exhibit C and make corresponding service adjustments, as necessary. Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and billings to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this Paragraph may be effective upon amendment execution to the extent allowed by the funding source and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. Any change to the County maximum obligation or reallocation of funds between budgets in this Contract

shall be effectuated by an amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each budget, as reflected in Exhibit C, shall be effectuated by a change notice that shall be incorporated into and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds, which are specified in this Contract for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Contract, midway through the applicable time limitation period for such funds if such period is less than a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director. At least fifteen (15) calendar days prior to each such review, Contractor shall provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.

8. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Contract and any Exhibit(s) attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Contract. No addition to, or alteration of, the terms of this Contract, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the

form of a written amendment to this Contract which is formally approved and executed by the parties in the same manner as this Contract.

B. The County's Board of Supervisors; the Chief Executive Officer or designee; or applicable State and/or federal entities, laws, or regulations may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors, Chief Executive Officer, or State or federal entity. To implement such changes, an Amendment to the Contract shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors.

C. Notwithstanding Paragraph 7.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Contract to permit extensions or adjustments of the contract term; an increase or decrease in funding up to ten percent (10%) above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable Contract term, and make corresponding service adjustments, as necessary, an Amendment shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors, and shall be incorporated into and become part of this Contract.

D. Notwithstanding Paragraph 7.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Contract to permit modifications to or within budget categories within each

budget, as reflected in Exhibit C, and corresponding adjustment of the scope of work tasks and/or activities and/or allow for changes to hours of operation, changes to service locations, and/or correction of errors in the Contract's terms and conditions, a written Change Notice shall be signed by the Director and Contractor, as authorized by the County's Board of Supervisors. The executed Change Notice shall be incorporated into and become part of this Contract.

9. CONFIDENTIALITY:

A. Contractor shall maintain the confidentiality of all records and information in accordance with all applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

B. Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this CONFIDENTIALITY Paragraph, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this CONFIDENTIALITY Paragraph shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the

preceding sentence, County shall have the right to participate in any such defense at its sole costs and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

C. Contractor shall inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality provisions of this Contract.

D. Contractor shall sign and adhere to the provisions of the "Contractor Acknowledgement, Confidentiality and Copyright Assignment Agreement", Exhibit E.

10. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST: Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

11. INDEMNIFICATION: The Contractor shall indemnify, defend, and hold harmless the County, its Special Districts, elected and appointed officers, employees,

agents and volunteers ("County Indemnitees") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

12. GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES: Without limiting Contractor's indemnification of County and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Paragraph and in the INSURANCE COVERAGE REQUIREMENTS Paragraph of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

A. C. Contractor's Staff Identification: All of Contractor's employees assigned to County facilities are required to have a County Identification (ID) badge on their person and visible at all times. Contractor bears all expense related to the badges.

D. Background and Security Investigations: Each of Contractor's staff performing services under this Contract, who is in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such

background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information.

The fees associated with the background investigation shall be at the expense of the Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation. Contractor shall perform the background check using County's mail code, routing results to the County.

If a member of Contractor's staff who is in a designated sensitive position does not obtain work clearance through the criminal history background review, they may not be placed and/or assigned within the Department of Public Health. During the term of the Contract, the Department may receive subsequent criminal information. If this subsequent information constitutes a job nexus, the Contractor shall immediately remove staff from performing services under this Contract and replace such staff within fifteen (15) days of removal or within an agreed upon time with the County. Pursuant to an agreement with the Federal Department of Justice, the County will not provide to Contractor nor to Contractor's staff any information obtained through the criminal history review.

B. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

C. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

D. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

25. AUTHORIZATION WARRANTY: Contractor hereby represents and warrants that the person executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation set forth in this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

26. BUDGET REDUCTIONS: In the event that the Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set

27. CONTRACTOR BUDGET AND EXPENDITURES REDUCTION

FLEXIBILITY: In order for County to maintain flexibility with regard to budget and expenditure reductions, Contractor agrees that Director may cancel this Contract, without cause, upon the giving of ten (10) calendar days written notice to Contractor. In the alternative to cancellation, Director may, consistent with federal, State, and/or County budget reductions, renegotiate the scope/description of work, maximum obligation, and budget of this Contract via a written amendment to this Contract.

28. COMPLAINTS: The Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to complaints.

A. Within thirty (30) business days after the Contract effective date, the Contractor shall provide the County with the Contractor's policy for receiving, investigating, and responding to user complaints.

B. The policy shall include, but not be limited to, when and how new clients as well as current and recurring clients are to be informed of the procedures to file a complaint.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph shall be conducted by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole costs and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by county in its sole judgment, County shall be entitled to retain its own counsel, including limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

(4) If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a

The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

D. The Contractor shall adhere to the provisions stated in the CONFIDENTIALITY Paragraph of this Contract.

54. LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES: Contractor shall obtain and maintain during the term of this Contract, all appropriate licenses, permits, registrations, accreditations, and certificates required by federal, State, and local law for the operation of its business and for the provision of services hereunder. Contractor shall ensure that all of its officers, employees, and agents who perform services hereunder obtain and maintain in effect during the term of this Contract, all licenses, permits, registrations, accreditations, and certificates required by federal, State, and local law which are applicable to their performance hereunder. Contractor shall provide a copy of each license, permit, registration, accreditation, and certificate upon request of County's Department of Public Health (DPH) - at any time during the term of this Contract.

55. NONDISCRIMINATION IN SERVICES:

A. Contractor shall not discriminate in the provision of services hereunder because of race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation, or condition of physical or mental disability, in accordance with requirements of federal and State laws, or in any manner on the basis of the client's/patient's sexual orientation. For the purpose of this Paragraph, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of the facility; providing any service or benefit to any person which is not equivalent, or is provided in a non-equivalent manner, or at a non-equivalent time, from that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any

service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit. Contractor shall take affirmative action to ensure that intended beneficiaries of this Contract are provided services without regard to race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation, condition of physical or mental disability, or sexual orientation.

B. Facility Access for handicapped must comply with the Rehabilitation Act of 1973, Section 504, where federal funds are involved, and the Americans with Disabilities Act. Contractor shall further establish and maintain written procedures under which any person, applying for or receiving services hereunder, may seek resolution from Contractor of a complaint with respect to any alleged discrimination in the provision of services by Contractor's personnel. Such procedures shall also include a provision whereby any such person, who is dissatisfied with Contractor's resolution of the matter, shall be referred by Contractor to the Director, for the purpose of presenting his or her complaint of alleged discrimination. Such procedures shall also indicate that if such person is not satisfied with County's resolution or decision with respect to the complaint of alleged discrimination, he or she may appeal the matter to the State Department of Health Services' Affirmative Action Division. At the time any person applies for services under this Contract, he or she shall be advised by

Contractor of these procedures, as identified hereinabove, shall be posted by Contractor in a conspicuous place, available and open to the public, in each of Contractor's facilities where services are provided hereunder.

56. NONDISCRIMINATION IN EMPLOYMENT:

A. Contractor certifies and agrees, pursuant to the Americans with Disabilities Act, the Rehabilitation Act of 1973, and all other federal and State laws, as they now exist or may hereafter be amended, that it shall not discriminate against any employee or applicant for employment because of, race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation or condition of physical or mental disability, or sexual orientation. Contractor shall take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation, condition of physical or mental disability, or sexual orientation in accordance with requirements of federal and State laws. Such action shall include, but shall not be limited to the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other form of compensation, and selection for training, including apprenticeship. Contractor shall post in conspicuous places in each of Contractor's facilities providing services hereunder, positions available and open to employees and applicants for employment, and notices setting forth the provision of this Paragraph.

B. Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants shall receive consideration for employment without regard to race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation, condition of physical or mental disability, or sexual orientation, in accordance with requirements of federal and State laws.

C. Contractor shall send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract of understanding a notice advising the labor union or workers' representative of Contractor's commitments under this Paragraph.

D. Contractor certifies and agrees that it shall deal with its subcontractors, bidders, or vendors without regard to race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation, condition of physical or mental disability, or sexual orientation, in accordance with requirements of federal and State laws.

E. Contractor shall allow federal, State, and County representatives, duly authorized by Director, access to its employment records during regular business hours in order to verify compliance with the anti-discrimination provision of this Paragraph. Contractor shall provide such other information and records as such representatives may require in order to verify compliance with the anti-discrimination provisions of this Paragraph.

F. If County finds that any provisions of Paragraph 55 have been violated, the same shall constitute a material breach of Contract upon which

Director may suspend or County may determine to terminate this Contract.

While County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Department of Fair Employment and Housing or the Federal Equal Employment Opportunity Commission that Contractor has violated federal or State anti-discrimination laws shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Contract.

G. The parties agree that in the event Contractor violates any of the anti-discrimination provisions of the Paragraph, County shall be entitled, at its option, to the sum of Five Hundred Dollars (\$500) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

57. NON-EXCLUSIVITY: Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict the County from acquiring similar, equal, or like goods and/or services from other entities or sources.

58. NOTICE OF DELAYS: Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

59. NOTICE OF DISPUTES: The Contractor shall bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Director shall resolve it.

60. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: The Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

61. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at www.babysafela.org for printing purposes.

62. PROHIBITION AGAINST INDUCEMENT OR PERSUASION:
Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

63. PROHIBITION AGAINST PERFORMANCE OF SERVICES WHILE UNDER THE INFLUENCE: Contractor shall ensure that no employee or physician performs services while under the influence of any alcoholic beverage, medication, narcotic, or other substance that might impair his/her physical or mental performance.

64. PUBLIC RECORDS ACT:

A. Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to the RECORD RETENTION AND AUDITS Paragraph of this Contract; as well as those documents which were required to be submitted in response to the Invitation for Bids (IFB) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

B. In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all

costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

65. PURCHASES:

A. Purchase Practices: Contractor shall fully comply with all federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Such items shall be acquired at the lowest possible price or cost if funding is provided for such purposes hereunder.

B. Proprietary Interest of County: In accordance with all applicable federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, County shall retain all proprietary interest, except for use during the term of this Contract, in all furniture, fixtures, equipment, materials, and supplies, purchased or obtained by Contractor using any contract funds designated for such purpose. Upon the expiration or earlier termination of this Contract, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of the provisions of this Contract, the bankruptcy of Contractor or its giving an assignment for the benefit of creditors, or the failure of Contractor to satisfy any judgment against it within thirty (30) calendar days of filing, County shall have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the part of Contractor. Contractor, in conjunction with County, shall attach identifying labels on all such property indicating the proprietary interest of County.

C. Inventory Records, Controls, and Reports: Contractor shall maintain accurate and complete inventory records and controls for all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any contract funds designated for such purpose. Annually, Contractor shall provide Director with an accurate and complete inventory report of all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose.

D. Protection of Property in Contractor's Custody: Contractor shall maintain vigilance and take all reasonable precautions, to protect all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any contract funds designated for such purpose, against any damage or loss by fire, burglary, theft, disappearance, vandalism, or misuse. Contractor shall contact Director, for instructions for disposition of any such property which is worn out or unusable.

E. Disposition of Property in Contractor's Custody: Upon the termination of the funding of any program covered by this Contract, or upon the expiration or earlier termination of this Contract, or at any other time that County may request, Contractor shall: (1) provide access to and render all necessary assistance for physical removal by Director or his authorized representatives of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose, in the same condition as such property was received by Contractor, reasonable wear and tear expected; or (2) at Director's option, deliver any or all items of such property to a

location designated by Director. Any disposition, settlement, or adjustment connected with such property shall be in accordance with all applicable federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives.

66. REAL PROPERTY AND BUSINESS OWNERSHIP DISCLOSURE:

A. Real Property Disclosure: If Contractor is renting, leasing, or subleasing, or is planning to rent, lease, or sublease, any real property where persons are to receive services hereunder, Contractor shall prepare and submit to Director within ten (10) calendar days following execution of this Contract, an affidavit sworn to and executed by Contractor's duly constituted officers, containing the following information:

(1) The location by street address and city of any such real property.

(2) The fair market value of any such real property as such value is reflected on the most recently issued County Tax Collector's tax bill.

(3) A detailed description of all existing and pending rental agreements, leases, and subleases with respect to any such real property, such description to include: the term (duration) of such rental agreement, lease or sublease; the amount of monetary consideration to be paid to the lessor or sublessor over the term of the rental agreement, lease or sublease; the type and dollar value of any other consideration to be paid to the lessor or sublessor over the term of the rental agreement, lease, or

sublease; the full names and addresses of all parties who stand in the position of lessor or sublessor; if the lessor or sublessor is a private corporation and its shares are not publicly traded (on a stock exchange or over-the-counter), a listing by full names of all officers, directors, and stockholders thereof; and if the lessor or sublessor is a partnership, a listing by full names of all general and limited partners thereof.

(4) A listing by full names of all Contractor's officers, directors, members of its advisory boards, members of its staff and consultants, who have any family relationships by marriage or blood with a lessor or sublessor referred to in sub-paragraph (3) immediately above, or who have any financial interest in such lessor's or sublessor's business, or both. If such lessor or sublessor is a corporation or partnership, such listing shall also include the full names of all Contractor's officers, members of its advisory boards, members of its staff and consultants, who have any family relationship, by marriage or blood, to an officer, director, or stockholder of the corporation, or to any partner of the partnership. In preparing the latter listing, Contractor shall also indicate the names (s) of the officer(s), director(s), stockholder(s), or partner(s), as appropriate, and the family relationship which exists between such person(s) and Contractor's representatives listed.

(5) If a facility of Contractor is rented or leased from a parent organization or individual who is a common owner (as defined by Federal Health Insurance Manual 15, Chapter 10, Paragraph 1002.2), Contractor

shall only charge the program for costs of ownership. Costs of ownership shall include depreciation, interest, and applicable taxes.

True and correct copies of all written rental agreements, leases, and subleases with respect to any such real property shall be appended to such affidavit and made a part thereof.

B. Business Ownership Disclosure: Contractor shall prepare and submit to Director, upon request, a detailed statement, executed by Contractor's duly constituted officers, indicating whether Contractor totally or partially owns any other business organization that will be providing services, supplies, materials, or equipment to Contractor or in any manner does business with Contractor under this Contract. If during the term of this Contract the Contractor's ownership of other businesses dealing with Contractor under this Contract changes, Contractor shall notify Director in writing of such changes within thirty (30) calendar days prior to the effective date thereof.

67. REPORTS: Contractor shall make reports as required by County concerning Contractor's activities and operations as they relate to this Contract and the provision of services hereunder. In no event, however may County require such reports unless Director has provided Contractor with at least thirty (30) calendar days' prior written notification thereof. Director's notification shall provide Contractor with a written explanation of the procedures for reporting the information required.

68. RECYCLED CONTENT BOND PAPER: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills,

Contractor agrees to use recycled-content bond paper to the maximum extent possible in connection with services to be performed by Contractor under this Contract.

69. SOLICITATION OF BIDS OR PROPOSALS: Contractor acknowledges that County, prior to expiration or earlier termination of this Contract, may exercise its right to invite bids or request proposals for the continued provision of the services delivered or contemplated under this Contract. County and its Department of Public Health (DPH) shall make the determination to re-solicit bids or request proposals in accordance with applicable County policies.

Contractor acknowledges that County may enter into a contract for the future provision of services, based upon the bids or proposals received, with a provider or providers other than Contractor. Further, Contractor acknowledges that it obtains no greater right to be selected through any future invitation for bids or request for proposals by virtue of its present status as Contractor.

70. STAFFING AND TRAINING/STAFF DEVELOPMENT: Contractor shall operate continuously throughout the term of this Contract with at least the minimum number of staff required by County. Such personnel shall be qualified in accordance with standards established by County. In addition, Contractor shall comply with any additional staffing requirements which may be included in the Exhibits attached hereto.

During the term of this Contract, Contractor shall have available and shall provide upon request to authorized representatives of County, a list of persons by name, title, professional degree, salary, and experience who are providing services hereunder. Contractor also shall indicate on such list which persons are appropriately qualified to perform services hereunder. If an executive director, program director, or supervisory

position becomes vacant during the term of this Contract, Contractor shall, prior to filling said vacancy, notify County's Director. Contractor shall provide the above set forth required information to County's Director regarding any candidate prior to any appointment. Contractor shall institute and maintain appropriate supervision of all persons providing services pursuant to this Contract.

Contractor shall institute and maintain a training/staff development program pertaining to those services described in the Exhibit(s) attached hereto. Appropriate training/staff development shall be provided for treatment, administrative, and support personnel. Participation of treatment and support personnel in training/staff development should include in-service activities. Such activities shall be planned and scheduled in advance; and shall be conducted on a continuing basis. Contractor shall develop and institute a plan for an annual evaluation of such training/staff development program.

71. SUBCONTRACTING:

A. For purposes of this Contract, subcontracts must be approved in advance in writing by Director or her authorized designee(s). Contractor's request to Director for approval of a subcontract shall include:

(1) Identification of the proposed subcontractor, (who shall be licensed as appropriate for provision of subcontract services), and an explanation of why and how the proposed subcontractor was selected, including the degree of competition involved.

(2) A detailed description of the services to be provided by the subcontract.

(3) The proposed subcontract amount and manner of compensation, if any, together with Contractor's cost or price analysis thereof.

(4) A copy of the proposed subcontract. (Any later modification of such subcontract shall take the form of a formally written subcontract amendment which also must be approved in writing by the Director in the same manner as described above, before such amendment is effective.)

(5) Any other information and/or certification(s) requested by Director.

B. Director shall review Contractor's request to subcontract and shall determine, in her sole discretion, whether or not to consent to such a request on a case-by-case basis.

C. Subcontracts shall be made in the name of Contractor and shall not bind nor purport to bind County. The making of subcontracts hereunder shall not relieve Contractor of any requirement under this Contract, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract shall also not be construed to limit in any way, any of County's rights or remedies contained in this Contract.

D. In the event that Director consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.

E. In the event that Director consents to any subcontracting, such consent shall be provisional, and shall not waive the County's right to later withdraw that consent when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, or any subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.

F. The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.

G. Subcontracts shall contain the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles and shall be subject to all of the provisions of such prime contract." Further, Contractor shall also reflect as subcontractor requirements in the subcontract form all of the requirements of the INDEMNIFICATION, GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES, INSURANCE COVERAGE REQUIREMENTS, COMPLIANCE WITH APPLICABLE LAW, CONFLICT OF TERMS and ALTERATION OF TERMS Paragraphs and all of the provisions of this Contract.

Contractor shall deliver to Director a fully executed copy of each subcontract entered into by Contractor, as it pertains to the provision of services under this Contract, on or immediately after the effective date of the subcontract,

but in no event, later than the date and any services are to be performed under the subcontract.

H. The Contractor shall obtain certificates of insurance which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor.

I. Director is hereby authorized to act for and on behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.

J. The Contractor shall indemnify, defend, and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

K. The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

72. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN

COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM: Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 39, CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of

written notice shall be grounds upon which the County may terminate this Contract pursuant to, Paragraph 74, TERMINATION FOR DEFAULT, herein, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

73. TERMINATION FOR CONVENIENCE: The performance of services under this Contract may be terminated, with or without cause, in whole or in part, from time to time when such action is deemed by County to be in its best interest. Termination of services hereunder shall be effected by delivery to Contractor of a thirty (30) calendar day advance Notice of Termination specifying the extent to which performance of services under this Contract is terminated and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor shall:

- A. Stop services under this Contract on the date and to the extent specified in such Notice of Termination; and
- B. Complete performance of such part of the services as shall not have been terminated by such Notice of Termination.

Further, after receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than sixty (60) calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect

to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor for a period of seven (7) years after final settlement under this Contract, in accordance with Paragraph 16, RECORD RETENTION AND AUDITS, shall retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of Contractor under this Contract in respect to the termination of services hereunder. All such books, records, documents, or other evidence shall be retained by Contractor at a location in Los Angeles County and shall be made available within ten (10) calendar days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

74. TERMINATION FOR DEFAULT: County may, by written notice of default to Contractor, terminate this Contract immediately in any one of the following circumstances:

A. If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Contract or any extension thereof as County may authorize in writing; or

B. If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances, does not cure such failure within a period of five (5) calendar days (or such longer period as County

may authorize in writing) after receipt of notice from County specifying such failure.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County for such similar services.

If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Contractor was not in default under the provisions of this paragraph, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 73, TERMINATION FOR CONVENIENCE.

The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

75. TERMINATION FOR GRATUITIES AND/OR IMPROPER

CONSIDERATION: County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that gratuities or consideration in any form, were offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment, or extension of the Contract, or making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination,

County shall be entitled to pursue the same remedies against Contractor as it could in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent, to solicit such improper gratuity or consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Fraud Hotline at (800) 544-6861 or <http://fraud.lacounty.gov>.

(Among other items, such improper gratuities and considerations may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.)

76. TERMINATION FOR INSOLVENCY: County may terminate this Contract immediately for default in the event of the occurrence of any of the following:

- A. Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether Contractor has committed an act of bankruptcy or not, and whether Contractor is insolvent within the meaning of the Federal Bankruptcy Law or not;
- B. The filing of a voluntary or involuntary petition under the federal Bankruptcy Law;
- C. The appointment of a Receiver or Trustee for Contractor;
- D. The execution by Contractor of an assignment for the benefit of creditors.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem

appropriate, services similar to those so terminated, and Contractor shall be liable to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

77. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

78. NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

79. TIME OFF FOR VOTING: The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it

can be seen as employees come or go to their place of work, a notice setting forth the provisions of Elections Code Section 14000.

80. UNLAWFUL SOLICITATION: Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

81. VALIDITY: If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

82. WAIVER: No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

83. WARRANTY AGAINST CONTINGENT FEES:

A. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

B. For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

84. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

85. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of Contractor to maintain compliance with the requirements set

forth in Paragraph 84, WARRANTY OF COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

STATEMENT OF WORK

1.0 DESCRIPTION

The federal Substance Abuse and Mental Health Services Administration (SAMHSA) identifies health and community as two major components that support ongoing Substance Use Disorder (SUD) recovery. Health relates to overcoming and managing one's disease while making healthy choices, and community relates to establishing positive relationships and support networks. In agreement with these findings, the Los Angeles County Department of Public Health, Substance Abuse Prevention and Control (SAPC) sponsors and facilitates an annual SUD awareness and recovery, Olympics-style, sports event known as the AI-IMPICS, at a local Los Angeles County venue in collaboration with its network of contracted SUD treatment providers and community-based agencies. In this competitive sports event, approximately one-thousand (1,000) sober and recovering individuals have the opportunity to compete in athletic activities to demonstrate their consistent efforts to overcome SUD. These activities reflect their commitment to acquire physical and mental endurance, a healthy lifestyle, and the success of recovery through SUD treatment. The event provides a platform for other support networks consisting of diverse providers, community leaders, organizations, family members, and friends to help celebrate the recovery community and their accomplishments through healthy competition in the spirit of sobriety achievement and recreation. Additionally, SAPC purposes to expand SUD awareness in the community and de-stigmatize SUD by promoting treatment resource, providing educational information, and soliciting media coverage of the event as outlined in the scope of work.

Event planning, production, and promotion services are needed to develop and produce an annual SUD awareness and recovery sporting event, in partnership with SAPC, its network of contracted SUD treatment providers, and other community-based agencies during the month of September, "National Recovery Awareness Month". This event is designed to serve as a community engagement model for all SUD treatment agencies to adopt on a national level.
